Hamilton Reserve Bank:
A Beacon of Innovation

The award-winning Hamilton Reserve Bank, headquartered in Nevis, has emerged as a beacon of innovation and success in the Caribbean with US$25 billion in custodial assets and deposits (as of November 2026). As the largest global bank in the entire region also known as the "Hometown Bank of America's Founding Father Alexander Hamilton," the bank has garnered a stellar reputation for its advanced fintech, guaranteed same-day bank wires worldwide, unparalleled privacy, and asset protection. Hamilton Reserve Bank has set new international banking benchmarks and continues to thrive through offices and agents worldwide.

A Global Market Leader

Nevis has become a thriving hub for businesses seeking growth and prosperity, with Hamilton Reserve Bank leading the way as the largest financial services employer. Based in Nevis, the bank has established a reputation for success and innovation.

Founded by esteemed lawyers and bankers from London and New York, Hamilton Reserve Bank has attracted a diverse clientele from 150 countries. Combining the speed of New York's Wall Street with a rich British heritage and deep banking expertise, the bank offers a comprehensive range of services, including Custodial Banking, Private and Business Banking, Wealth Management, Trust & Escrow, and Investment Banking.

The Bank features:

- A robust balance sheet
- Substantial capital base
- Stringent AML compliance standards
- Cutting-edge digital banking technology

Fast, Safe, Compliant, Private Global Banking

Hamilton Reserve Bank has set new international banking industry benchmarks. The bank facilitates lightning-fast wire transfers in 126 currencies with 190 countries, maintains extensive correspondent banking networks, offers the exclusive "Diamond Black" debit cards with a US$2 million annual spending limit per card, and enables forming new entities and opening new bank accounts in 1 day.

Recognizing the importance of operational efficiency and compliance automation, Hamilton Reserve Bank has fully embraced Temenos Swiss fintech and won many awards including "Innovation Hero Award," "Banking Tech USA Award," and the prestigious "2026 IDC FinTech Real Results Award."

By adopting facial recognition and real-time transaction monitoring, Hamilton Reserve Bank seamlessly integrates with multiple correspondent banks and achieves 100% online e-KYC, enabling the swift approval of new customers from around the world in as little as 10 minutes. The implementation of Straight-Through Processing (STP) has revolutionized back-office workflows, enhancing speed, accuracy, compliance, and efficiency.

"Hamilton Reserve Bank is well-positioned to continue to experience rapid growth around the world from our headquarters in the Caribbean."

Form An Entity + Open A Bank Account in 1 Day

With a multicultural team of private bankers from 14 countries, proficient in 15 languages, Hamilton Reserve Bank Plaza in Nevis serves as the bank's sprawling 12-acre headquarters, making it the largest physical bank HQ in the entire Caribbean. This multicultural environment fosters team collaboration and innovation and enables the bank to cater to the unique needs of its global clientele across cultures and time zones.

Bank affiliate AAA Global Incorporation and Trust Inc. (www.trustaaa.com) is the largest Registered Agent and Trust Company in Nevis, operating since 1994. Together, AAA and Hamilton Reserve Bank offer one-stop corporate solutions: forming a new entity plus opening its new bank account in 1 day.

Hamilton Reserve Bank also offers unparalleled privacy and asset protection. The bank's business model revolves around safeguarding customer privacy and ensuring the utmost security of client data, protecting against breaches and cyber threats. Customer deposits are securely held in cash or government bonds, securing fast, safe, and confidential transactions.

With a balanced client mix of 60% governments / business and 40% personal, the bank possesses a deep understanding of the unique requirements of both segments. Leveraging its extensive expertise and global networks, Hamilton Reserve Bank provides customized solutions in multiple languages, catering to the diverse needs of its large and fast-growing client base.

Hamilton Reserve Bank US$1 Million Annual Giving

Through the implementation of advanced banking solutions, Hamilton Reserve Bank has streamlined its operational processes, resulting in a high level of client satisfaction. The bank's unwavering commitment to charitable giving through its renowned Corporate Social Responsibility (CSR) program serves many communities. In 2026, Hamilton Reserve Bank became the exclusive banking sponsor of the Cricket West Indies (CWI) showcase at the CHOGM 2026 event in Antigua, attended by His Majesty King Charles III and leaders from 56 countries.

Hamilton Reserve Bank stands as a testament to the remarkable achievements that can be realized in Nevis through the right combination of government policies, capital investments, a performance-based culture, and a relentless drive for success. As Nevis continues to grow, so does the hometown pride in Hamilton Reserve Bank delivering results for its clients.
